### *Become Your Own Great and Powerful: A Woman's Guide to Leading Your Real, Big Life*

Barbara Bellissimo is on a mission to empower women to change their world. She works with a very diverse group of women – business owners, executives, consultants, new graduates, women outside the workforce – supporting them to embrace their leadership qualities to design and create the life they truly want.

Her clients work in their homes, in traditional corporations, in nonprofit organizations. They work for themselves, for corporate executives, for their families, even for a former President of the United States. She's conducted workshops and presentations for many audiences, been quoted in Forbes and The New York Times, and has appeared on National Public Radio.

Prior to starting her life transformation agency, Barbara spent nearly twenty years in high-technology marketing, and as an entrepreneur. She received her BS degree in Economics from The Wharton School at the University of Pennsylvania. She currently lives her dream life on Martha's Vineyard and in New York City with her family.
